## Developing An Effective Online Peer Mentoring Program: From Training To Implementation Wednesday, August 19 ~ 1:00-2:30pm (Eastern)

Once the live date has passed, this training will be available on demand.

### Overview

---

This webinar will cover the essential components of a successful peer mentoring program designed to meet the needs of college students from a variety of populations. The focus will be on developing and maintaining peer-to-peer supportive relationships. As is usually the case with any successful program, the critical role of training – and how to conduct it appropriately – will be covered, along with recommendations for enhancing the overall efficacy of the program. Equal attention will be given to the individuals who serve as a peer mentors as well as those responsible for overseeing the overall program. Also included will be opportunities for participant involvement through the use of case studies and real-time feedback via chat.

#### Objectives:

- Review the essential components of successful online peer mentoring programs
- Learn the benefits and challenges unique to online peer mentoring programs
- Explore evidence-based best practices in online peer mentoring with college students
- Assess and anticipate the needs of students with respect to peer mentoring strategies
- Improve the ability to truly connect with peers during a mentoring session
- Examine issues of confidentiality and security associated with online peer mentoring programs
- Discover strategies for training peer mentors so they are prepared to meet the needs of their mentees using a variety of integrated strategies
- Learn how to train peer mentors so they are prepared for multiple scenarios based on unknown contingencies
- Critique real-life examples of effective and ineffective ways of interacting with students in a peer mentoring relationship
